About the Topic:

Chapter 15 summarizes the entire essence of not just the Bhagawad Gita, but also the Vedas in just twenty shlokas. It explains *who am I; who is God; what is the nature of the world;* and *what is the relationship between the three*. With a clear understanding of the answers to these important questions, under the guidance of a learned master can one take the first steps on the path to realize the Supreme.

About the Speaker:

Swami Bodhatmananda is the Resident Acharya of the Residential Vedanta Course at Sandeepany Sadhanalaya, Mumbai, India. Swamiji is currently traveling across USA, Canada and UK conducting various Jnana Yagnas, camps and retreats. With his affability, sense of humor and passion for Vedanta, Swamiji captivates his audiences – young and old alike.

Admission is FREE. All are welcome.
