Registration Process for Camp Delegates

The registration process for the Youth Camp has unique challenges due to limited accommodations at Krishnalaya and the popularity of the camp. The registration process is a **two-step registration** process which is outlined below.

Registration Process

Step 1 - Application (MANDATORY STEP FOR EVERYONE)

When: Monday May 1st, 2023 6:00 AM registration opens

Where: <https://forms.gle/Csvu9AtwXDk6GeZ7A> (**NOTE: this form needs you to have a Google account**)

Priority for camp attendees will be given only to those families who have pre-registered, on a FIRST-COME-FIRST-SERVE basis.

A Google Form which serves as the application step will be available at the URL listed above beginning Monday, May 1st at 6 AM. **Those that wish to attend the camp must complete the requested information in the Google form (one form per family).**

By completing this step, your name is entered into a queue. It does not guarantee a spot for the camp.

One entry per family. Please register only for your immediate family (children only). Do not register for friends or relatives. Entries that do not follow these guidelines will not be considered for camp accommodations.

Step-2: Registration and Payment for Camp Delegates

Families in the order in which they applied in Step 1 will be given a special link (anytime after May 1st) to complete and pay for registration. **This link will be available to the family only for 24 hours.** If they are not able to complete the registration within the 24 hour window, the next family in the queue will be given the registration link for accommodation.

Registration is considered complete only when payment is received and all waivers and

medical information are given to us.

We will continue going down the list till camp is full.
